Customer Complaint Report

Complaint Reference: CC-2026-00154
Date Reported: 27 June 2026
Reported By: ABC Formulations Ltd. (Quality Department)

Field	Details
Product Name	Metformin Hydrochloride API
Product Strength/Grade	IP/BP
Batch / Lot Number	MFH260712A
Affected Quantity	25 kg (1 HDPE Drum)
Manufacturing Date	25 June 2026
Expiry Date	Not Provided
Originating Site Block	Manufacturing
Impacted Non-Product Material	HDPE Drum

Issue Description

During incoming quality inspection at our facility, ABC Formulations Ltd. reported multiple dark foreign particles inside one sealed HDPE drum of Metformin Hydrochloride API. The drum had no visible external damage. Material has been quarantined pending investigation. Given this is an API input material, this is considered a high-priority issue requiring urgent review.

Requested Action

Investigation into root cause of contamination, confirmation of quarantine status, and corrective action plan to prevent recurrence.
